

Model 34-09 Chest Freezer

Standard 9 cu ft Freezer

Safe, Economical & Easy Access

Freezers are manufactured using environmentally safe urethane foam insulation. Counter-balanced lid with non-magnetic gasket and separate Keyed Hasp Lock. Sub-lids are added for additional protection of contents.

CFC Free

All products are manufactured using CFC free, non-toxic, non-combustible and non-ozone depleting refrigerant. Compressors are permanently lubricated and hermetically sealed.

Sturdy Construction

Outer cabinet is made of welded steel with high-impact smooth powder coat finish. Inner compartment is made of aluminum, with clear coat finish.

Temperature Display / Alarm

Digital readout displays internal temperature in either Degrees Centigrade or Fahrenheit. An audible alarm sounds to alert personnel of a rise in internal temperature. (No Battery Backup)

Exterior Dimensions	33-1/2"H x 39"W x 25"D
Interior Dimensions	27"H x 33-1/2"W x 17-1/2"D
Temperature Range	0 C /32F to -34 /-30F
Capacity	9 cubic foot
Insulation	Urethane
Door	Key Locking
Casters	None (Can be added for additional cost)
Temperature Controller	Digital Display
Alarm (No Battery Backup)	Audible Only
Refrigeration	
Compressor - High stage	1/8 hp
Compressor	(Not Applicable)
Refrigerant	R-404A
Voltage	115/60/1
Refrigerant Control	Capillary Tube
Evaporator	Cold Wall
Defrost	Manual
Condenser	Shell
Running Amps	7 amps (115v)
