

# Model 34-05 Chest Freezer

Standard 5 cu. ft. Freezer

## Safe, Economical & Easy Access

Freezers are manufactured using environmentally safe urethane foam insulation. Counter-balanced lid with non-magnetic gasket and separate Keyed Hasp Lock.

## CFC Free

All products are manufactured using CFC free, non-toxic, non-combustible and non-ozone depleting refrigerant. Compressors are permanently lubricated and hermetically sealed.

## Sturdy Construction

Outer cabinet is made of welded steel with high-impact smooth powder coat finish. Inner compartment is made of aluminum with clear coat finish.

## Temperature Display / Alarm

Digital readout displays internal temperature in either Degrees Centigrade or Fahrenheit. An audible alarm sounds to alert personnel of a rise in internal temperature. (No Battery Backup)
